PROFESSIONAL EXPERIENCE

Bloomberg News

Green Intern — New York, NY | Sept 2025–Dec 2025

- o Reported and wrote articles on diverse climate-related topics, including geothermal energy, wildfires, coffee, and climate change
- o Published work featured in the Bloomberg Green newsletter and collaborated with colleagues in 10+ offices around the world
- o Supported Bloomberg's coverage of COP 2025 in Belém with regional expertise and Portuguese fluency, collaborating on stories about international politics and the Amazon

The Connecticut Mirror

Data Reporter — Hartford, CT | Sept 2024–Aug 2025

- o Reported a Pulitzer Center-funded investigation analyzing statewide data to reveal where thousands of lead water lines remain in Connecticut and who is most affected.
- o Responsible for *Charting Connecticut*, providing a weekly analysis of life in CT through charts, graphics, and data visualizations
- o Developed and managed interactive data visualizations for the 2024 election results, independently coding and overseeing CT data
- o Reported data-driven stories and integrated data visualizations into colleagues' work
- o Conducted interviews in Spanish and English, helping with investigations on voting fraud in Bridgeport

Columbia University Graduate School of Journalism

Projects — New York, NY | Aug 2023–Aug 2024

- o Investigated Amazon Forest fires through data analysis and mapping techniques to understand affected forest types and regions
- o Investigated food safety violations in NYC schools through web scraping, data analysis, interviews, and statistics
- o Analyzed OSINT use in conflict coverage. Employed interactive visualizations for enhanced understanding
- o One of the designated campus reporters. Footage showcased on ABC News Live.

Malala Fund

Editorial Intern — New York, NY | Jul 2022–Nov 2022

- o Created multilingual digital campaigns for social media for the *Assembly* and Malala Fund's social media.
- o Guest-edited an issue of *Assembly* about Brazil's public schools, featuring 4 girls from different backgrounds
- o Started a project on refugee girls and their displacement experiences, contacting girls from Syria, Nigeria, Ukraine, and Iraq
- o Overall, worked with 10+ girls from 7 countries aged between 12-25 years old, to create multimedia content.

Centre County Report

News Anchor, Videographer, Reporter — University Park, PA | Jan–Dec 2022

International Reporter — Scotland | Mar 2022

- o Studied UK immigration laws and their effects on Scotland, considering changes in demographics, labor shortage, and overall cultural impact in communities around Glasgow, interviewed 7 immigrants and members of the Scottish Parliament.
